## **ALUMNI CONTRIBUTION IN THE ACADEMIC YEAR 2022-2023**

### **Alumni Contribution of "Textbook of Physical Pharmaceutics"**

In the academic year 2022-2023, the alumni of our college, particularly the esteemed batch of **Pharm.D Trozerianz (2015-2021)**, have shown tremendous generosity by donating 10 copies of the "Textbook of Physical Pharmaceutics" to our library. This generous donation enriches our resources and greatly benefits the academic community. Authored by experts in pharmaceutical sciences, these textbooks cover essential topics such as physical chemistry, pharmaceutical polymers, rheology, and pharmaceutical engineering. Their high quality and relevance make them invaluable resources for students and faculty alike.

This donation significantly enhances the library's collection, providing students with vital resources for their studies and research in pharmaceutical sciences. The "Textbook of Physical Pharmaceutics" serves as a comprehensive reference for coursework, research projects, and exam preparation. Faculty members can also utilize these textbooks to supplement their teaching materials and provide students with up-to-date information on physical pharmaceutics.

The college administration extends heartfelt gratitude to our alumni donors, particularly the Pharm.D Trozerianz batch (2015-2021), for their unwavering commitment to supporting education and research in pharmaceutical sciences. This donation exemplifies their dedication to the academic mission of our institution and ensures that current and future students have access to essential learning materials. To honor their generosity, a plaque will be prominently displayed in the library, recognizing the alumni donors and commemorating their significant contribution to enriching the academic environment of our college.

#### **Alumni Contribution of "HP Xerox machine"**

In the academic year 2022-2023, JKKN College of Pharmacy experienced a remarkable enhancement in its academic infrastructure, thanks to the generous contribution of its esteemed alumnus, **Mr. T. Ganesh, from SKM Animal Feeds and Foods**. Among the notable additions was the acquisition of an HP LaserJet MFP M436nda Xerox machine. This addition to the college's resources has not only streamlined administrative tasks but has also had a positive impact on the academic environment, fostering a more efficient and productive learning atmosphere.

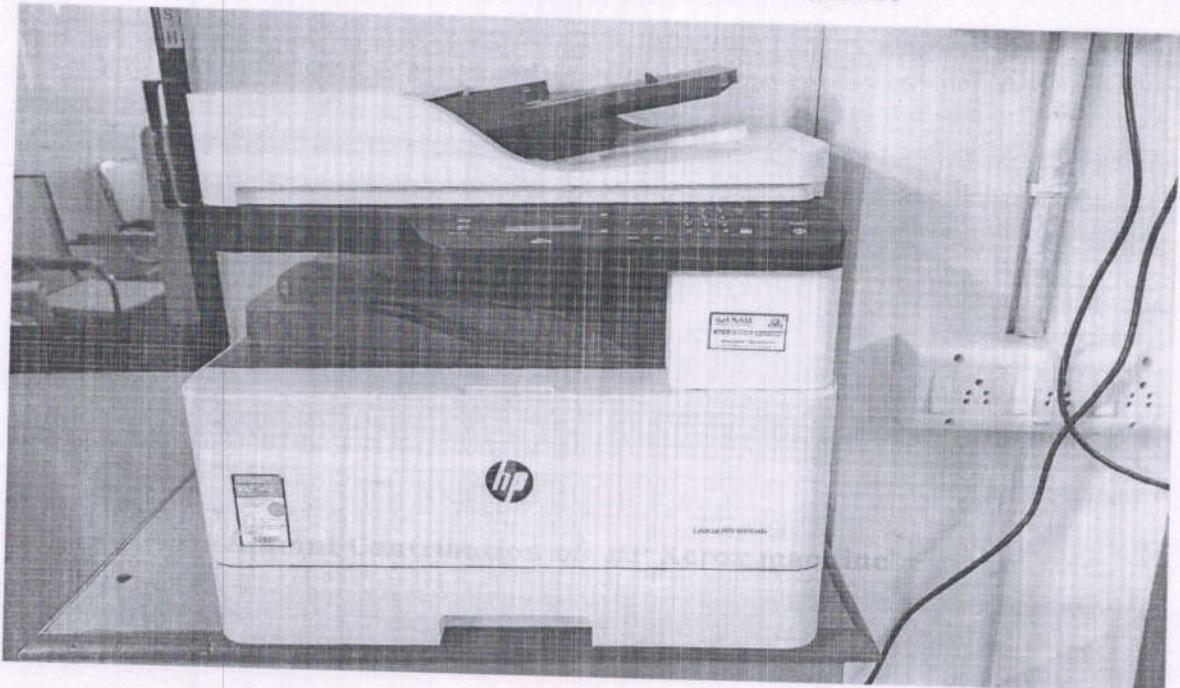

The introduction of the HP LaserJet MFP M436nda Xerox machine has significantly improved various administrative processes within the college. Tasks such as printing, copying, and scanning, which were previously time-consuming, have now become more efficient and hassle-free. Faculty members and administrative staff can now produce high-quality documents and materials swiftly, enabling them to focus more on academic pursuits and student engagement. This technological advancement aligns perfectly with the college's commitment to providing state-of-the-art facilities to support teaching, research, and administrative functions.

Furthermore, Mr. T. Ganesh's contribution reflects a strong sense of camaraderie and support within the JKKN College of Pharmacy community. By investing in the college's infrastructure, Mr. Ganesh demonstrate their dedication to the institution's growth and success. The HP LaserJet MFP M436nda Xerox machine stands not only as a tangible asset but also as a symbol of the enduring bond between the college and its alumni. This act of generosity inspires current students to strive for excellence and fosters a culture of giving back, ensuring that JKKN College of Pharmacy continues to thrive for years to come.

## **ALUMNI CONTRIBUTION IN THE ACADEMIC YEAR 2021-2022**

### **Alumni Contribution of "HP printer"**

The alumni of J.K.K. Nattraja College of Pharmacy, under the leadership of **Dr. Jambulingam, a respected Professor at Erode College of Pharmacy**, have demonstrated exemplary generosity by donating an HP printer to their alma mater. This act underscores their unwavering dedication to enhancing the educational resources available at the college. The newly acquired printer is poised to become an invaluable asset, facilitating the creation of high-caliber academic materials and bolstering the college's commitment to delivering an exceptional educational experience.

Beyond its tangible benefits, this donation strengthens the bond between the alumni and the current academic community, fostering a sense of solidarity and shared purpose. It serves as a poignant reminder of the importance of giving back and nurturing a culture of support and advancement within the college.

The administration and students of J.K.K. Nattraja College of Pharmacy extended their heartfelt gratitude to Dr. Jambulingam and all the alumni involved in this thoughtful gesture. Their contribution will undoubtedly leave a lasting imprint on the institution's educational initiatives, empowering both present and future generations of students to strive for excellence.

## **ALUMNI CONTRIBUTION IN THE ACADEMIC YEAR 2019-2020**

### **Alumni Contribution of Books to Library**

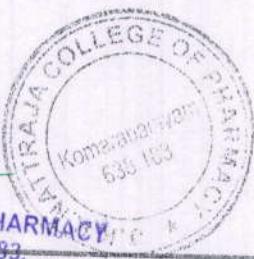

The alumni of JKKN College of Pharmacy, particularly the esteemed **B.Pharm (2014-2018) batch**, have demonstrated remarkable generosity by donating books to the college library. This commendable contribution not only reflects their deep commitment to their alma mater but also their keen interest in enhancing the academic resources available to current and future students. The donated books cover a wide array of topics relevant to pharmaceutical studies, including pharmacology, medicinal chemistry, pharmaceutical analysis, and drug formulation. This diverse collection will undoubtedly serve as an invaluable resource for students and faculty alike, enriching the learning and research experience within the college.

Moreover, the alumni's contribution highlights the strong sense of community and camaraderie among graduates of JKKN College of Pharmacy. By giving back to their alma mater, they not only express gratitude for the education they received but also invest in the success of future generations of students. Their generous gesture serves as a testament to the enduring impact of the college experience and the enduring bonds forged within the JKKN College of Pharmacy community. It serves as a reminder of the significance of alumni engagement and support in nurturing academic excellence and fostering a culture of giving back within educational institutions.

## **ALUMNI CONTRIBUTION IN THE ACADEMIC YEAR 2018-2019**

Alumni Contribution of "High-Performance Liquid Chromatography (HPLC) system"

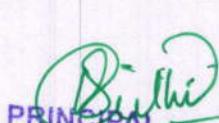

The JKKN College of Pharmacy extends its heartfelt appreciation to our esteemed alumni **Dr.Velliappan, Retd professor Annamalai University** for his generous contribution to our Pharmaceutical Analysis Laboratory. Through his benevolent donation, our alumni have gifted the college with a **High-Performance Liquid Chromatography (HPLC)** system, marking a significant milestone in the enhancement of our research infrastructure. This report highlights the impact of this contribution on our academic and research endeavors.

The donation of the HPLC system by Dr.Velliappan holds profound significance for the JKKN College of Pharmacy community. With its cutting-edge capabilities, the HPLC system empowers our students and faculty to conduct sophisticated analyses with unparalleled precision and efficiency. This state-of-the-art instrumentation elevates the quality and scope of research conducted within our Pharmaceutical Analysis Laboratory, fostering innovation and excellence in drug development, quality control, and related fields. Moreover, the availability of such advanced equipment enhances the learning experience of our students, providing them with practical exposure to industry-standard analytical techniques and preparing them for successful careers in the pharmaceutical sciences.

In conclusion, we express our sincere gratitude to our alumni for their unwavering support and commitment to the advancement of pharmaceutical education and research at JKKN College of Pharmacy. Their generosity not only enriches our academic environment but also strengthens the bonds of camaraderie and collaboration within our alumni network. The contribution of the HPLC system exemplifies the spirit of giving back and paying it forward, inspiring future generations of JKKN College of Pharmacy alumni to continue making meaningful contributions to our institution and the broader scientific community.

## Alumni Contribution of Medicinal Garden

The alumni of the **B Pharm batch (2013-2017)** have played a pivotal role in the establishment, maintenance, and enrichment of the Medicinal Garden. Alumni have actively participated in garden maintenance activities, including planting, watering, weeding, and pruning. Their hands-on involvement has ensured the efficient functioning and aesthetic appeal of the garden. The medicinal garden has the plants of neem, areca palm, mango, oleander, almond, etc...

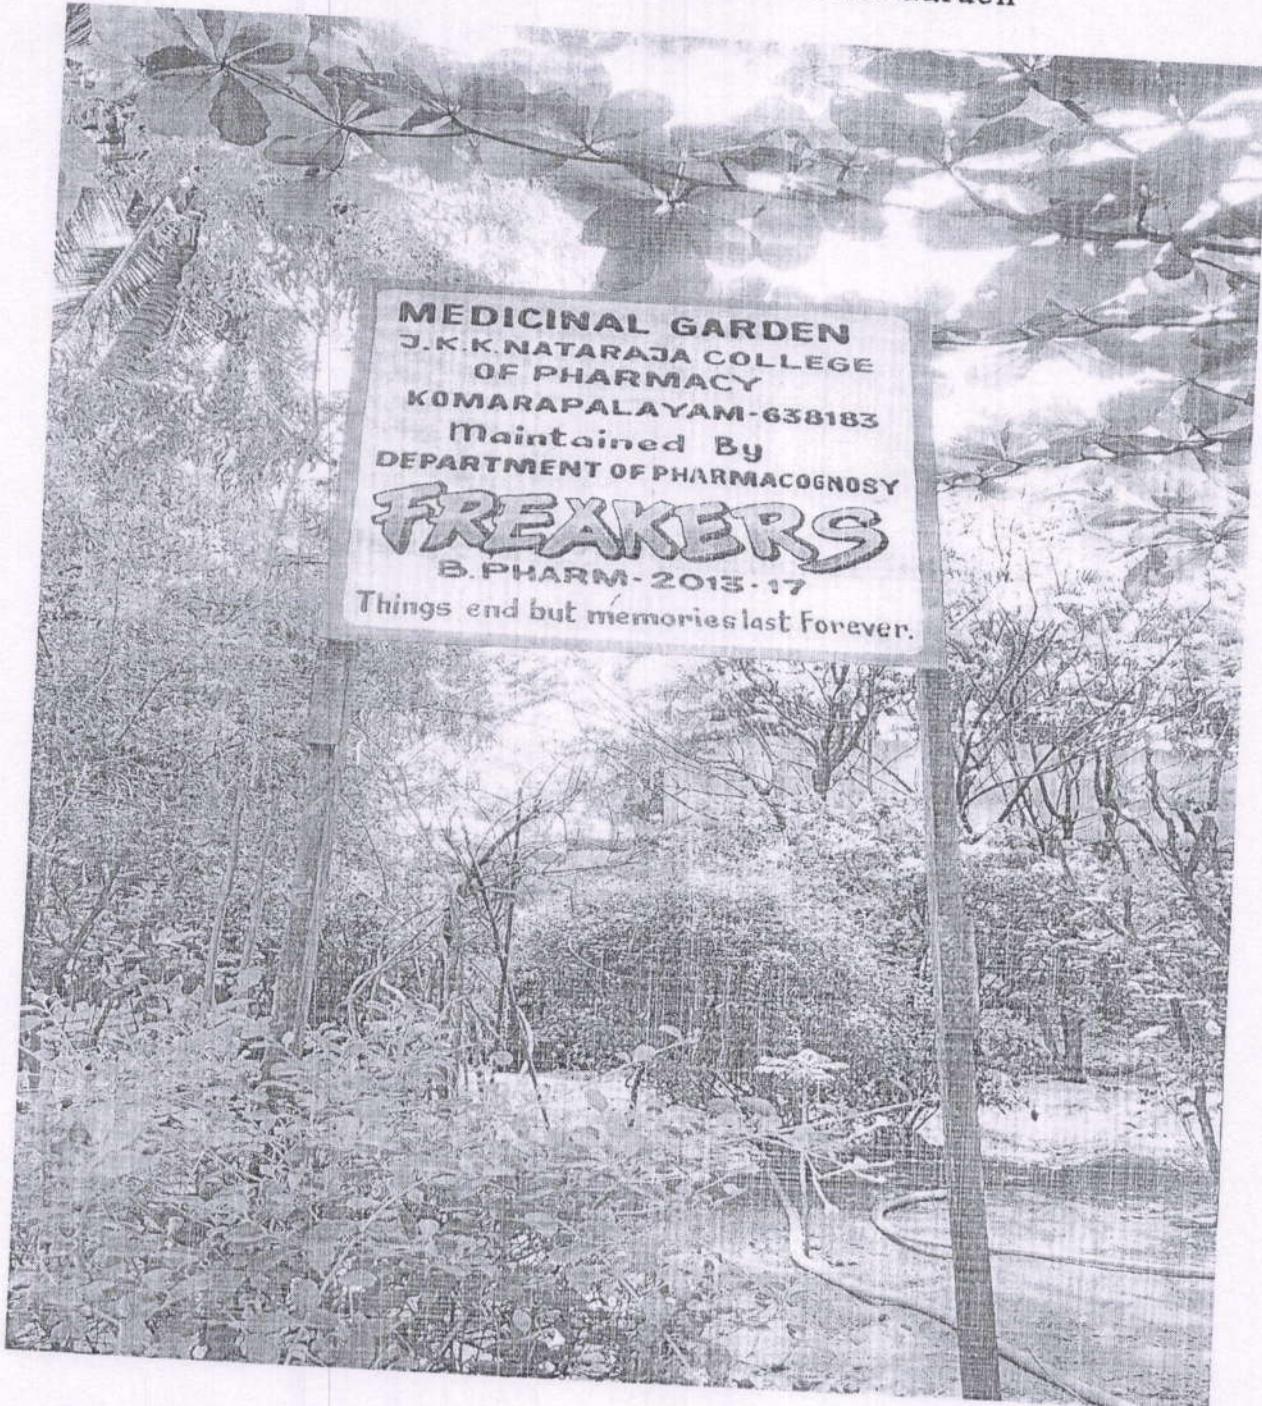

The garden serves as a practical learning resource for students, providing them with firsthand experience in plant identification, cultivation techniques, and phytochemical analysis.

The Medicinal Garden at JKK Nattraja College of Pharmacy stands as a testament to the collective efforts of its alumni, particularly those from the **B Pharm batch of 2013-2017**. Their contributions have not only enriched the academic and research endeavors of the institution but have also made a positive impact on the broader community. Moving forward, it is imperative to continue fostering alumni engagement and collaboration to ensure the continued growth and success of the garden.

**Dear Pharm. D Students,**

We are delighted to announce the Alumni Insight Programme at J.K.K Nattraja College of Pharmacy on August 28th, 2023. This thoughtfully crafted event aimed to foster connections between esteemed alumni and current students, providing a platform for mutual enrichment through invaluable insights and perspectives. A captivating talk by distinguished alumnus Mr. G. Sampath Kumar stood out as the highlight of the programme.

Thank you.

**JKKNCP-Alumni Association – Komarapalayam.****Alumni Insight – August 2023**

On August 28th, 2023, a significant event unfolded at the J. K. K. Nattraja College of Pharmacy—the Alumni Insight Programme. This carefully orchestrated occasion was tailored exclusively for the benefit of students enrolled in the I, II, and III Pharm. D courses. The event, which spanned from 10:30 am to 12:00 pm on the college campus, unequivocally achieved its well-defined goals, leaving a lasting impact on all participants.

The presence of the distinguished alumnus, Mr. G. SampathKumar, was a notable highlight. An accomplished member of the B. Pharm 1993-1997 Batch, he currently holds the esteemed position of Managing Director at SM Pharma in Erode. Mr. SampathKumar, through his captivating discourse themed "Pharmacy Alumni Insights: Connecting Paths and Futures," shared his wealth of experience and wisdom with the students. His talk ventured deep into the intricacies of pharmaceutical marketing, painting a vivid picture of the roles, responsibilities, and strategic considerations entailed.

The inaugural moments of the program were graced by the welcoming address delivered by Dr. V. Senthil, the esteemed Principal of J. K. K. Nattraja College of Pharmacy. His address eloquently underscored the paramount significance of fostering strong ties with alumni, positioning this as a pivotal aspect of students' holistic career development. Adding to the dignified atmosphere, Dr. S. Ananda Thangadurai, the Vice Principal of JKKN College of Pharmacy, took the stage to introduce the esteemed Chief Guest.

The culmination of this enlightening event was marked by Dr. M. Vijayabaskaran, the Alumni Coordinator, extending a heartfelt vote of thanks. His gratitude was directed towards all stakeholders who contributed to the program's resounding success. As the curtains drew on the Alumni Insight Programme, it was unequivocally evident that this endeavor had triumphed in its objectives. Not only did it provide an exceptional platform for students to connect and network with esteemed alumni like Mr. SampathKumar, but it also added a wealth of insights and perspectives to their academic and career journeys.

## Media Report

J.K.K.NATTRAJA College of Pharmacy successfully hosted an Alumni Insight Programme on July 12, 2023, for 100 B. Pharm students in the second and fourth semester. The event took place on the college grounds from 11 am to 12:30 pm. The students gained a lot of insightful knowledge and information about their future careers from the presence of notable alumni like Mr. Vinod Kumar, M.Pharm., Manager, Gillette life sciences, USA (Alumni - B. Pharm 2004-2008 Batch).

The principal of J.K.K. NATTRAJA College of Pharmacy, Dr. V. Senthil, gave a welcome address to kick off the event. He underlined that for students to grow their careers, networking with alumni is crucial. Alumni's knowledge and experience can assist students make wise decisions about their future employment and offer networking opportunities that can be beneficial for their whole professional careers. Mr. Vinod Kumar discussed his experiences and clarified what a pharmacy assistant does in the United States. He also shared his personal and professional journey, including how he transitioned from his academic background to his current role, the various positions he held, and the pivotal moments that shaped his career.

He discussed the challenges he encountered throughout his career and how he approached and overcame them. This could include both technical challenges and broader organizational or industry-related issues.

The vote of thanks was proposed by Dr. M. Vijayabaskaran, Alumni Co-ordinator. Overall, it is evident that the Alumni Insight Program was a huge success and gave the students a fantastic chance to network with alumni.

**Mrs. N. SENDAMARAAI**  
Chairperson**Dr.V.SENTHIL, M.Pharm., Ph.D.,**  
Principal**JKKNCP-Alumni Association – Komarapalayam.****Alumni Insight – February’ 2023**

On February 28th, 2023, J. K. K. Nattraja College of Pharmacy organized an Alumni Insight Programme for the III, V and VI year Pharm.D students of the college. The programme was held from 11.00 am to 12.30 pm in the college campus. The chief guest of the event was Dr. P. Ashwathi, an alumnus of the college who graduated from the 2015-2021 batch of Pharm. D. Dr. P. Ashwathi is currently working as a Clinical pharmacist at Neuro Foundation, Salem.

The programme began with the welcome address by Dr. V. Senthil, Principal of J. K. K. Nattraja College of Pharmacy. He emphasized the importance of such programmes in providing students with valuable insights and advice on their future careers. He also highlighted the significance of connecting with alumni who have already established themselves in their respective fields. Mr. R. Nirmal, Alumni Relations officer, JKKN Educational Institutions has explained the overview of alumni insight program.

Dr. P. Ashwathi, the chief guest, shared her experience and journey as a Clinical pharmacist and how her education at J. K. K. Nattraja College of Pharmacy helped in her career. The topic of antimicrobial stewardship and the role of clinical pharmacists is particularly relevant and important in the field of pharmacy, so it's great that Dr. P. Ashwathi shared her expertise on the subject. Overall, it sounds like the Alumni Insight Programme was a great success and a valuable experience for all involved. The programme provided an excellent opportunity for the students to network with the alumni.

Dr. M. Vijayabaskaran, Professor and Head, Department of Pharmaceutical Chemistry, proposed the vote of thanks. The Alumni Insight Programme was a valuable experience to the students and staff of J. K. K. Nattraja College of Pharmacy benefited greatly from the event.

**Dear Final Year B. Pharm Students,**

We are pleased to inform you that J.K.K Nattraja College of Pharmacy is organising an Alumni Insight Programme exclusively for final year B. Pharm Students of our college On January 27th, 2023. This programme offers a unique opportunity for you to connect with alumni who have successfully carved their paths in the pharmaceutical industry. You will gain valuable insights into current industry trends, challenges, and opportunities. We encourage all final year B. Pharm students to actively participate in this programme and make the most out of this enriching experience.

Thank you

Chairperson**Dr.V.SENTHIL, M.Pharm., Ph.D.,**  
Principal**JKKNCP-Alumni Association – Komarapalayam.****Alumni Insight – January' 2023**

On January 27th, 2023, J. K. K. Nattraja College of Pharmacy organized an Alumni Insight Programme for the final year B. Pharm students of the college. The programme was held from 10.00 am to 11.30 am in the college campus. The chief guest of the event was Mr. A. Sivakumar, an alumnus of the college who graduated from the 2012-2014 batch of M. Pharm – Pharmacy Practice. Mr. A. Sivakumar is currently working as a Divisional Manager at Alniche life sciences Private Ltd, Coimbatore.

The programme began with the welcome address by Dr. V. Senthil, Principal of J. K. K. Nattraja College of Pharmacy. He emphasized the importance of such programmes in providing students with valuable insights and advice on their future careers. He also highlighted the significance of connecting with alumni who have already established themselves in their respective fields.

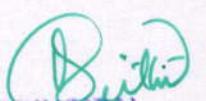

Mr. A. Sivakumar, the chief guest, shared his experience and journey as a pharmacist and how his education at J. K. K. Nattraja College of Pharmacy helped him in his career. He discussed the current trends in the pharmaceutical industry, the challenges that one might face and the opportunities available in the field. He also shared his experience working with Alniche life sciences Private Ltd and the kind of work they do.

The students had an interactive session with the chief guest where they asked questions and gained insights on their desired field. The programme provided an excellent opportunity for the students to network with the alumni and learn about the industry first-hand. Dr. M. Vijayabaskaran, Professor and Head, Department of Pharmaceutical Chemistry, proposed the vote of thanks. The Alumni Insight Programme was a great success and the students and staff of J. K. K. Nattraja College of Pharmacy benefited greatly from the event.

ALUMNI ASSOCIATION - ALUMNI INSIGHT-JULY 2019

## Report

**Date:** 12th July 2019

**Venue:** Nattraja Hall, J.K.K.Nattraja College of Pharmacy, Kumarapalayam

J.K.K.Nattraja College of Pharmacy held a lecture on employability skills and career opportunities in pharmaceutical sciences on July 12, 2019. Dr. Noohu Abdulla Khan, an experienced academic from King Khalid University, Abha, Saudi Arabia, delivered the talk. Dr. P. Balakumar introduced him, and Dr. R. Shanmugasundaram, the Vice-Principal, honoured the event.

Dr. Noohu Abdulla Khan emphasized the importance of practical skills alongside academic knowledge for job success. He also discussed various career options in pharmaceutical sciences, like research, clinical pharmacy, and marketing. The event ended with Dr. Ananda Thangadurai giving thanks to Dr. Noohu Abdulla Khan and the participants for their engagement.

Overall, the lecture provided valuable insights and inspiration for students pursuing careers in the pharmaceutical industry.

## **ALUMNI CONTRIBUTION IN THE ACADEMIC YEAR 2022-2023**

### **Alumni Contribution of "Textbook of Physical Pharmaceutics"**

In the academic year 2022-2023, the alumni of our college, particularly the esteemed batch of **Pharm.D Trozerianz (2015-2021)**, have shown tremendous generosity by donating 10 copies of the "Textbook of Physical Pharmaceutics" to our library. This generous donation enriches our resources and greatly benefits the academic community. Authored by experts in pharmaceutical sciences, these textbooks cover essential topics such as physical chemistry, pharmaceutical polymers, rheology, and pharmaceutical engineering. Their high quality and relevance make them invaluable resources for students and faculty alike.

This donation significantly enhances the library's collection, providing students with vital resources for their studies and research in pharmaceutical sciences. The "Textbook of Physical Pharmaceutics" serves as a comprehensive reference for coursework, research projects, and exam preparation. Faculty members can also utilize these textbooks to supplement their teaching materials and provide students with up-to-date information on physical pharmaceutics.

The college administration extends heartfelt gratitude to our alumni donors, particularly the Pharm.D Trozerianz batch (2015-2021), for their unwavering commitment to supporting education and research in pharmaceutical sciences. This donation exemplifies their dedication to the academic mission of our institution and ensures that current and future students have access to essential learning materials. To honor their generosity, a plaque will be prominently displayed in the library, recognizing the alumni donors and commemorating their significant contribution to enriching the academic environment of our college.

#### **Alumni Contribution of "HP Xerox machine"**

In the academic year 2022-2023, JKKN College of Pharmacy experienced a remarkable enhancement in its academic infrastructure, thanks to the generous contribution of its esteemed alumnus, **Mr. T. Ganesh, from SKM Animal Feeds and Foods**. Among the notable additions was the acquisition of an HP LaserJet MFP M436nda Xerox machine. This addition to the college's resources has not only streamlined administrative tasks but has also had a positive impact on the academic environment, fostering a more efficient and productive learning atmosphere.

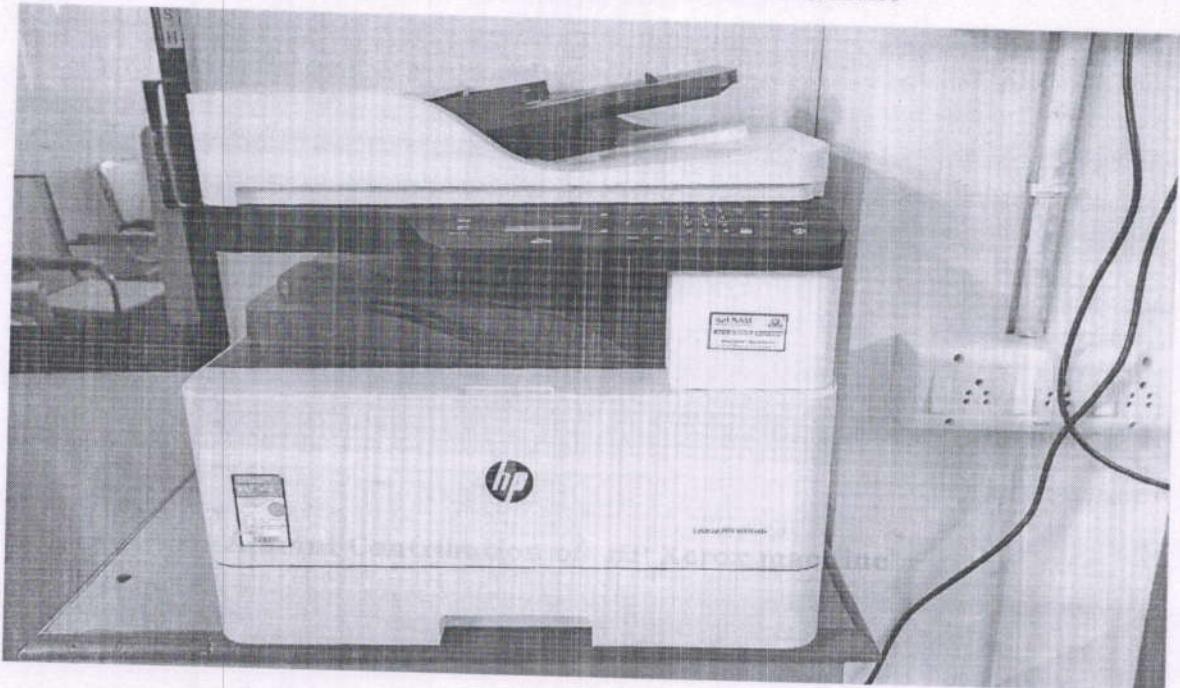

The introduction of the HP LaserJet MFP M436nda Xerox machine has significantly improved various administrative processes within the college. Tasks such as printing, copying, and scanning, which were previously time-consuming, have now become more efficient and hassle-free. Faculty members and administrative staff can now produce high-quality documents and materials swiftly, enabling them to focus more on academic pursuits and student engagement. This technological advancement aligns perfectly with the college's commitment to providing state-of-the-art facilities to support teaching, research, and administrative functions.

Furthermore, Mr. T. Ganesh's contribution reflects a strong sense of camaraderie and support within the JKKN College of Pharmacy community. By investing in the college's infrastructure, Mr. Ganesh demonstrate their dedication to the institution's growth and success. The HP LaserJet MFP M436nda Xerox machine stands not only as a tangible asset but also as a symbol of the enduring bond between the college and its alumni. This act of generosity inspires current students to strive for excellence and fosters a culture of giving back, ensuring that JKKN College of Pharmacy continues to thrive for years to come.

## **ALUMNI CONTRIBUTION IN THE ACADEMIC YEAR 2021-2022**

### **Alumni Contribution of "HP printer"**

The alumni of J.K.K. Nattraja College of Pharmacy, under the leadership of **Dr. Jambulingam, a respected Professor at Erode College of Pharmacy**, have demonstrated exemplary generosity by donating an HP printer to their alma mater. This act underscores their unwavering dedication to enhancing the educational resources available at the college. The newly acquired printer is poised to become an invaluable asset, facilitating the creation of high-caliber academic materials and bolstering the college's commitment to delivering an exceptional educational experience.

Beyond its tangible benefits, this donation strengthens the bond between the alumni and the current academic community, fostering a sense of solidarity and shared purpose. It serves as a poignant reminder of the importance of giving back and nurturing a culture of support and advancement within the college.

The administration and students of J.K.K. Nattraja College of Pharmacy extended their heartfelt gratitude to Dr. Jambulingam and all the alumni involved in this thoughtful gesture. Their contribution will undoubtedly leave a lasting imprint on the institution's educational initiatives, empowering both present and future generations of students to strive for excellence.

## **ALUMNI CONTRIBUTION IN THE ACADEMIC YEAR 2019-2020**

### **Alumni Contribution of Books to Library**

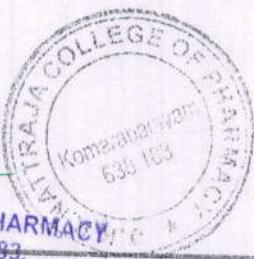

The alumni of JKKN College of Pharmacy, particularly the esteemed **B.Pharm (2014-2018) batch**, have demonstrated remarkable generosity by donating books to the college library. This commendable contribution not only reflects their deep commitment to their alma mater but also their keen interest in enhancing the academic resources available to current and future students. The donated books cover a wide array of topics relevant to pharmaceutical studies, including pharmacology, medicinal chemistry, pharmaceutical analysis, and drug formulation. This diverse collection will undoubtedly serve as an invaluable resource for students and faculty alike, enriching the learning and research experience within the college.

Moreover, the alumni's contribution highlights the strong sense of community and camaraderie among graduates of JKKN College of Pharmacy. By giving back to their alma mater, they not only express gratitude for the education they received but also invest in the success of future generations of students. Their generous gesture serves as a testament to the enduring impact of the college experience and the enduring bonds forged within the JKKN College of Pharmacy community. It serves as a reminder of the significance of alumni engagement and support in nurturing academic excellence and fostering a culture of giving back within educational institutions.

## **ALUMNI CONTRIBUTION IN THE ACADEMIC YEAR 2018-2019**

Alumni Contribution of "High-Performance Liquid Chromatography (HPLC) system"

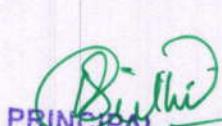

The JKKN College of Pharmacy extends its heartfelt appreciation to our esteemed alumni **Dr.Velliappan, Retd professor Annamalai University** for his generous contribution to our Pharmaceutical Analysis Laboratory. Through his benevolent donation, our alumni have gifted the college with a **High-Performance Liquid Chromatography (HPLC)** system, marking a significant milestone in the enhancement of our research infrastructure. This report highlights the impact of this contribution on our academic and research endeavors.

The donation of the HPLC system by Dr.Velliappan holds profound significance for the JKKN College of Pharmacy community. With its cutting-edge capabilities, the HPLC system empowers our students and faculty to conduct sophisticated analyses with unparalleled precision and efficiency. This state-of-the-art instrumentation elevates the quality and scope of research conducted within our Pharmaceutical Analysis Laboratory, fostering innovation and excellence in drug development, quality control, and related fields. Moreover, the availability of such advanced equipment enhances the learning experience of our students, providing them with practical exposure to industry-standard analytical techniques and preparing them for successful careers in the pharmaceutical sciences.

In conclusion, we express our sincere gratitude to our alumni for their unwavering support and commitment to the advancement of pharmaceutical education and research at JKKN College of Pharmacy. Their generosity not only enriches our academic environment but also strengthens the bonds of camaraderie and collaboration within our alumni network. The contribution of the HPLC system exemplifies the spirit of giving back and paying it forward, inspiring future generations of JKKN College of Pharmacy alumni to continue making meaningful contributions to our institution and the broader scientific community.

## Alumni Contribution of Medicinal Garden

The alumni of the **B Pharm batch (2013-2017)** have played a pivotal role in the establishment, maintenance, and enrichment of the Medicinal Garden. Alumni have actively participated in garden maintenance activities, including planting, watering, weeding, and pruning. Their hands-on involvement has ensured the efficient functioning and aesthetic appeal of the garden. The medicinal garden has the plants of neem, areca palm, mango, oleander, almond, etc...

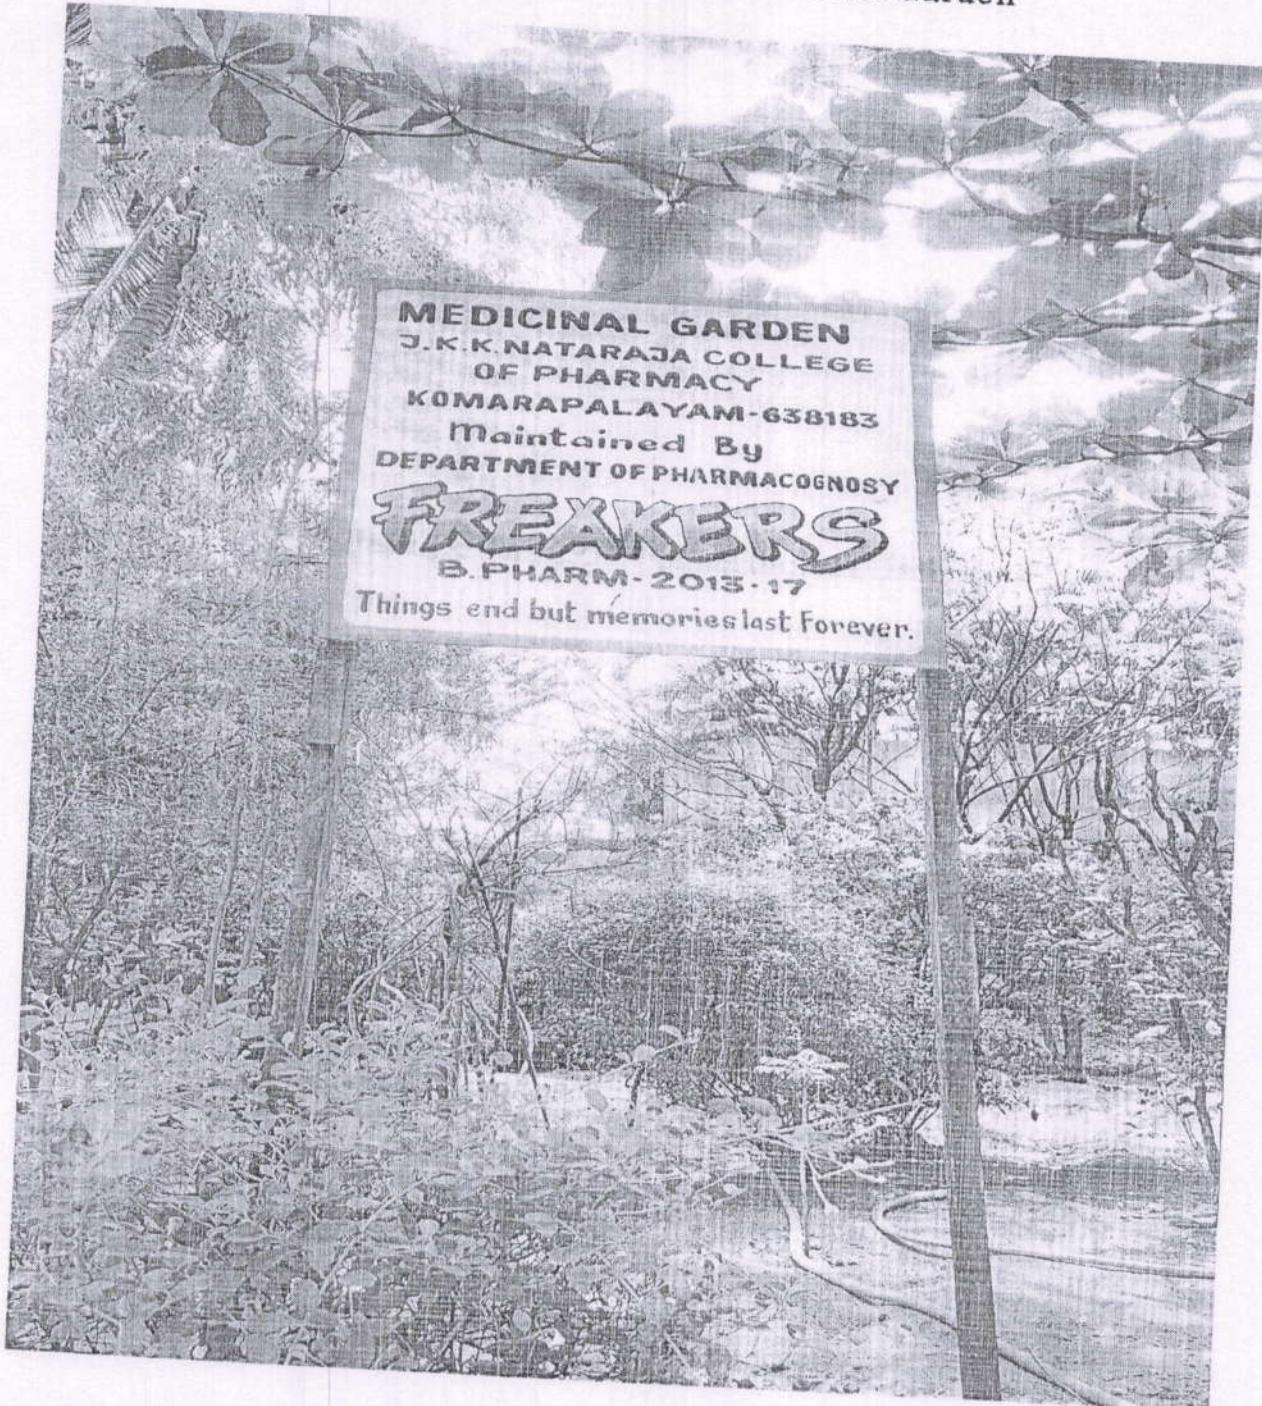

The garden serves as a practical learning resource for students, providing them with firsthand experience in plant identification, cultivation techniques, and phytochemical analysis.

The Medicinal Garden at JKK Nattraja College of Pharmacy stands as a testament to the collective efforts of its alumni, particularly those from the **B Pharm batch of 2013-2017**. Their contributions have not only enriched the academic and research endeavors of the institution but have also made a positive impact on the broader community. Moving forward, it is imperative to continue fostering alumni engagement and collaboration to ensure the continued growth and success of the garden.
