

## DISABLED-FRIENDLY AND BARRIER-FREE ENVIRONMENT

### The Institution Offers a Disabled-Friendly, Barrier-Free Environment

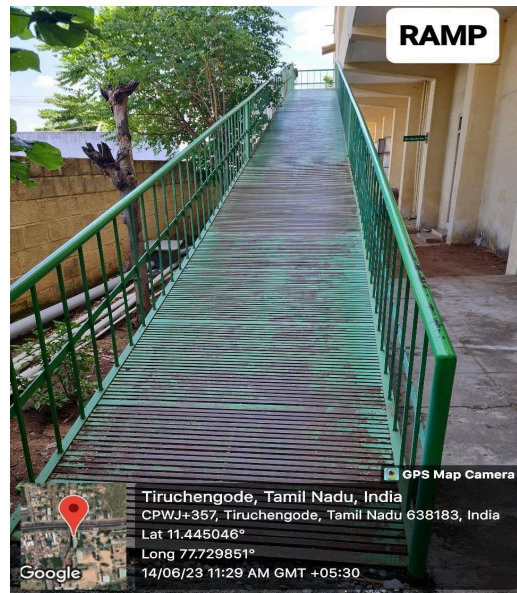

J.K.K. Nataraja College of Pharmacy is committed to fostering an inclusive and accessible environment for all students, staff, and visitors, including individuals with disabilities. Recognizing the importance of a barrier-free campus, the institution has implemented significant measures to ensure a safe, accessible, and welcoming atmosphere.

#### Objectives:

- **To Provide a Barrier-Free Environment:** Ensuring the campus is accessible to individuals with physical challenges.
- **To Facilitate Smooth Mobility for Persons with Disabilities:** Implementing structural and service-oriented solutions to support their movement and independence.

#### Facilities and Measures Implemented:

**Ramps with Railings:** Strategically placed at entrances and key areas across the campus to facilitate easy navigation for wheelchair users and individuals with mobility challenges.

**Accessible Restrooms:** Well-equipped restrooms for both male and female users, designed to accommodate individuals with disabilities.

**Wheelchair Accessibility:** Provision of wheelchairs within the campus, ensuring all buildings and facilities are accessible.

**Lifts:** Installed in one building, with future plans to extend this facility to all buildings, making every floor easily accessible.

- **E-vehicle for our differently-abled students:** JKKN Institutions are committed to providing state-of-the-art e-vehicles for our differently-abled students, ensuring access to all buildings so that no area is out of reach. This generous donation has been made possible by Yali Mobility

**Human Assistance:** Dedicated staff and volunteers are available to provide necessary support and enhance the campus experience for individuals with disabilities.

J.K.K. Nataraja College of Pharmacy's commitment to creating a **Divyangjan-friendly** and barrier-free environment reflects its dedication to inclusivity, equality, and respect for all individuals. Through these initiatives, the institution not only complies with regulatory standards but also strives to set a benchmark for accessibility in the educational sector.
